## PORTO LAMP TABLE ASSEMBLY INSTRUCTIONS

Page: 1

**A**

16 x Socket Head  
Cap Screw  $\Phi 8*20$

**B**

16 x Metal Washer  $\Phi 8*2$

Using Tools

1xScrewdriver

# STOP!

Before you start...

1

Read Instructions carefully.

2

Lay out all of the components on a soft surface as if you were preparing to do a jigsaw puzzle.

3

Carefully identify each component, especially those that are similar. The most common mistake is getting things back to front.

4

Separate and identify each component from the hardware pack— and rest each one in its proper location before fastening.

5

**DO NOT** Over-tighten screws

6

**DO NOT** set glue until you are certain that the parts belong together.

**Step 1:** Use the screwdriver (  ) attach the legs to the top panel with A. (  ) B. (  ) as shown.
